

Dear Third Grader,

Your teachers are excited to have you come to third grade. We will be doing many fun activities to help you learn. Due to budget constraints we are asking for the following list of supplies. If you can purchase any of these supplies before third grade starts next year it would be appreciated. If you cannot purchase any supplies we will have some to share at school.

24 pack of crayons

12 pack of colored pencils

2 large or 6 small glue sticks – You will also need replacements to be sent later in the year.

2 boxes of Kleenex

Soft pencil container (a hard one will not fit in your desk)

1 Spiral Notebook (Wide ruled – 1 subject)

Pencils (**no mechanical ones please**) - You will need 12 to start the year and have replacements to be sent as needed.

Erasers (large one and/or pencil toppers)

1 container of Clorox or Lysol disinfecting wipes for the classroom

Please do not send trapper keepers or ring binders because they do not fit in the desks.

Thank you for helping us out. We are looking forward to seeing you in the fall.

Sincerely,

The Third Grade Teachers
